To Tom Willenbring From Chuck Lebo

Subject: V-45 PARTS INTERCHANGEABILITY

1983 CAMSHAFTS AND HOLDERS (A & B)

- Can be used in any combination in place of '82 cams.
Example: A M/C can be equipped with an '82 rear cylinder intake cam and an '83 rear cylinder exhaust cam.
- The holders (A & B) are completely interchangeable:

1983 H/C's	Description
128912	Cam front intake
128915	Cam rear intake
128918	Cam front exhaust
128921	Cam rear exhaust
128896	Holder A, Cam
128898	Holder B, Cam

1983 CYLINDER HEADS COMPLETE

- Can be substituted for '82 heads complete, but many parts of the heads assembly must also be changed over: Also, it would be necessary to change both Front and Rear Head Assemblies when making this change.
- 1983 cylinder head and related parts:

QTY/per head	H/C	Description
1	128889	Head, front
2	129008	Carb insulator
4	128927	Rocker Arm Shaft
8	128942	Inner, <u>Valve spring seat</u>
1	128907	Head assembly, rear
2	129008	Carb insulator
4	128927	Rocker Arm Shaft
8	128942	Inner, <u>Valve spring seat</u>
